I welcome you and your child to a new experience in education. It's an experience that will exhibit both of you, with a new outlook on life.

The most precious gift the parents can give to their children is to foster overall development in education. Ibemhal Vishal Academy is devoted and committed to give this manner of education. We have modern amenities and well planned infrastructure for children needing to avail our academic facility. So let your child experience a joyous learning under our love and affection. We provide additional attention to your child for his learning development and a better future. Children are a gift from God hence we see God in every child.

Shri Th. Kunjeshwar Singh

Principal Ibemhal Vishal Academy

It is rightly said that "The whole purpose of education is to teach the child to think and not what to think". We at Ibemhal Vishal Academy believe that this is the fundamental truth and it has always been the endeavour of the school to instill right values in its students so that they develop a holistic personality and are ready to take on the challenges head on once they step out of the gates of the school. We emanate and sprinkle an atmosphere where each child receives love, dignity and acceptance. The trust here is to blend thoroughly the modern and traditional approach which is conducive for learners. Children here learn through exploration and experimentation with a plethora of extra - curricular activities, the students gain optimum exposure and acquire confidence. We are focused to achieve our aim by providing an exemplary infrastructure to work upon a child's physical, mental and artistic faculties.

"Onwards to knowledge and perfection" acts as our motto and watchword that will always inspire our children throughout their lives.
